There is nothing more painful than these

diseases; but the pain can be removed and the disease cured by use of Perry Davis' Pain Killer.

This amounts to me themp mension or Petroleum product that must be kept away from fire or heat to avoid danger of explosion, nor is it an untried experiment that may do more harm than good. Pain Killer has been in constant use

for forty years, and the universal testimony from all parts of the world is, it never fails. It not only effects a permanent cure, but it relieves pain almost instantaneously Being a purely vegetable remedy, it is asis in the hands of the most inexperienced.

The record of cures by the use of PAIN KILLER would fill volumes. The following extracts from letters received show what those who have tried it think:

Edgar Cady, Owatonna, Minn., says:

About a year since my wife became subject to severe suffering from rheunaitem. Our resort was to the Park Kriller, which speedily relieved her.

Charles Fowell writes from the Sallers' Home, London:

I had been afflicted three years with newrelgia and violent spasms of the stomach. The doctors at workinster Hospital gave up my case is despair. I tried your Pain Kriller, and it gave no immediate relief. I have regained my strongth, and am now able to follow my sense that the control of the c

strength and am now shie to follow my usual occupation.

G. H. Walworth, Saco, Me., writes:
I experienced immediate relief from pain in the side by the use of your Pars Killer.

E. York says:
I have used your Pars Killer for rheumatism, and have received great benefit.
Barton Seaman says:
Have used Pars Killers for thirty years, and have found it a never/saitag remody for rhoumatism and lameness.

Mr. Burditt writes:
I have fruit to give relief in cases of rheumatism.
Phil. Gilbert, Somerset, Pa., writes:
From schul me, I know your Pars Killer in the best medicine I can gol.

All draggists toop Pan Killer. Its price is so low that it is within the reach of all, and it will save many times its cost in doctors' kills. 36c., 50c. and \$1.00 a hottle.
